## From the Desk of the Vice-Chancellor

The Mahapurusha Srimanta Sankaradeva Viswavidyalaya founded on 10th June, 2014, is going to embrace the students of the third batch in the academic session 2016-17 as its family members. I am delighted to welcome all of them to this University named after the great Saint Srimanta Sankaradeva, the great champion of spirituality, humanism and universal brotherhood.

I am glad to share that the University strived very well in its first and second academic years in fulfilment of its main aim to provide holistic education. Being aware of the fact that most of the faculty members of this University are young, a good number of eminent Professors from the Central and State Universities of the North East India were invited as Visiting Professors, so that the students become more benefitted by the faculties. I am very much impressed to see that the students of the M.A. programmes in Assamese, Education and Sociology most of whom had no first hand experience of computer application could gain expertise in computer use for preparing power-point presentations in the seminars, not to speak of surfing internet through Wi-Fi facility provided in the campus. That was possible for the students for arranging 'Computer Application' as an Add-on Course in the First Semester. The students have also gradually developed a positive attitude towards life realising the principles of wholeness, interconnectedness and interdependence through another Add-on Course in Second Semester, i.e., 'Life-Skills'. The students of the MA programme were trained in "Communicative Skill" by offering an Add-on Course in the Third Semester. On the Fourth Semester another Add-on Course, i.e., 'Sankaradeva Studies: Building Attitudes, Creating Values' was offered. Thus the motto of the University- to synergise Knowledge, Skill and Attitude was made a reality in this University.

In the last two years, the University organised several academic seminars, symposia, lectures, etc. in collaboration with the Sahitya Akademi, Srimanta

Sankaradeva Sangha, etc. Though the University is in its nascent stage it could organize very successfully an International Seminar on "Holistic Education for a Better World" on 08th to 10th October, 2015 in collaboration with Commonwealth Council for Educational Administration & Management, Assam Affiliated, H.Q. Canada. One more International Seminar on the main Theme- "Sankaradeva: His Multidimensional Contributions" has been proposed to be held in the month of February, 2017. The University organised the First and Second 'Varsity Week', where the students nurtured their talents in various fields. We are very hopeful that such academic and co-curricular activities shall be continued in the coming years.. Therefore, I am sure the students who get admitted to this University shall be able to enjoy a very educative and vibrant life in this University.

Wishing all students a peaceful and happy stay in this University.

## ABOUT THE UNIVERSITY

### **Introduction:**

Mahapurusha Srimanta Sankaradeva (1449-1568) was a multi-dimensional genius, who transformed and modernized Assamese society with his egalitarian ideology. He worked in diverse fields like religion, literature, music, dance, drama, architecture, social reconstruction, etc. He translated most part of the Bhâgavata Mahapurana into Assamese language and was the first ever playwright in any Indian language other than Sanskrit. He wrote more than 26 (twenty six) scriptures mostly in Assamese language besides the Brajawali form and one in Sanskrit. In addition he had composed many lyrics/songs including the Borgeets. All these justify to call him SARVAGUNAKARA by his most loyal disciple Madhabadeva. His philosophy too was unique and different from other branches of Hindu philosophies. Above all he was a humanist. He welcomed every one irrespective of caste, creed, sex into his order. He was also a pioneer in adult education, mass communication, etc. He called upon the society to educate women and the downtrodden people.

Srimanta Sankaradeva founded a new school of art. He initiated a new form of painting with his epoch-making drama-festival Chihna-Yâtrâ held in 1468 A.D. where he drew the imaginary pictures of heaven to be used as backdrops. He encouraged illustration of his manuscripts with pictorial depiction of stories from the Bhâgavata. The Nâmghar founded by him has become a multi-dimensional institution and symbol of Assamese society. He visited many places of the Indian sub-continent and his impact was clearly felt in those regions, be it Yâtrâ of Bengal, scroll painting of Odisha, plays of Mithila, etc.

Srimanta Sankaradeva Sangha was set up in 1930 in order to carry forward the reforms initiated by the saint. It is the largest NGO in North East India and it has been working relentlessly among the masses for inculcating the values preached by Srimanta Sankaradeva. It is running several schools in the state to spread value based education. The Sangha envisaged to establish a University and authorised its Srimanta Sankaradeva Education and Socio-Economic Development Trust, Nagaon to sponsor the establishment of the University. The Sangha submitted a proposal to the Government of Assam for establishment of the University under the Assam Private Universities Act, 2007. The Assam Legislative Assembly passed 'The Mahapurusha Srimanta Sankaradeva Viswavidyalaya Act, 2013'. The Act of the Assam Legislative Assembly (Assam Act No. XIX of 2013) received the assent of the Hon'ble Governor of Assam vide : No. LGL.59/2013/16 and notified it in the Assam Gazette No. 351 dated 14th August, 2013.

The newly set up Mahapurusha Srimanta Sankaradeva Viswavidyâlaya has formally been founded on 10th June, 2014. Though the University has been set up under the Private University Act, but it is designed as a people's university, an institution for the entire people
